# **SOUTH CAROLINA CONSTITUTIONAL AMENDMENT QUESTIONS FOR THE NOVEMBER 5, 2002 GENERAL ELECTION**

## **AMENDMENT # 1**

"Must Section 16, Article X of the Constitution of this State relating to benefits and funding of public employee pension plans in this State and the equity securities investments allowed for funds of the various state-operated retirement systems be amended so as to delete the restrictions limiting investments in equity securities to those of American-based corporations registered on an American national exchange as provided in the Securities Exchange Act of 1934 or any successor act, or quoted through the National Association of Securities Dealers Automatic Quotations System or similar service?"

### **Explanation**

Currently, the state constitution provides that state retirement system funds invested in the stock market must be invested only in American companies traded on the American stock exchanges. A "Yes" vote would allow the General Assembly to pass a law allowing additional stock market investments for state retirement system funds. A "No" vote would maintain the current constitutional limitation on the stock market investments allowed for state retirement system funds.

## **AMENDMENT # 2**

"Must Section 11, Article X of the Constitution of this State relating to restrictions on pledging the credit of the State or its political subdivisions for a private purpose and the restrictions on the State or its political subdivisions from becoming a joint owner or stockholder of a business be amended so as to allow a municipality, county, special purpose district, or public service district of this State which provides firefighting service and which administers a separate pension plan for its employees performing this service to invest and reinvest the funds in this pension plan in equity securities traded on a national securities exchange as provided in the Securities Exchange Act of 1934 or a successor act or in equity securities quoted through the National Association of Securities Dealers Automatic Quotations System or similar service?"

### **Explanation**

Currently, the state constitution prohibits a separate retirement system for firefighters operated by a local government from investing in the stock market. A "Yes" vote would allow such a separate firefighters' retirement system to invest in the stock market. A "No" vote would maintain the current constitutional prohibition on stock market investments for a separate firefighters' retirement system operated by a local government.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Dr. Cureton called the meeting to order. Dr. Robinson made a motion to approve the Minutes from the December 6, 2000, State Election Commission meeting. Mr. Howell seconded. The December 6, 2000, Minutes were unanimously approved as written.

Mr. Hendrix updated the commissioners on the status of the appeals and protests that were heard by the State Board of Canvassers (SBOC) following the November 7, 2000, General Election. As the result of an appeal in the Jasper County Council District 1 race, the SBOC ordered a new election. The new election is scheduled for March 20, 2001. There was some discussion concerning whether the State Election Commission staff should assist with the new election. After the discussion, Mr. Howell made a motion that two SEC staff serve as resources in Jasper County on the day of the new election. Mr. Howell also stated in the motion that he would leave the specifics to Mr. Hendrix. He further stated that he suggests a letter be sent advising that the SEC is involved only in an advisory capacity. Mrs. Edens seconded Mr. Howell's motion. Mr. Howell then amended his motion to include the details of what, specifically, the SEC employee would be doing that day. Dr. Robinson seconded the amended motion. The motion carried unanimously.

Mr. Hendrix discussed the current state of the 2001-2002 budget for the SEC. The commissioners were given a printout which indicated what the SEC requested and what was recommended by the House Ways and Means Committee. The SEC submitted three priorities to Ways and Means. The first priority was funding for the 2002 Primary Election and any runoffs that may be necessary. The SEC had originally requested \$2,197,250 for priority #1. Ways and Means recommended \$2,100,000. Priority #2 is for a new statewide voter registration system. The SEC requested \$1,377,041 and Ways and Means recommended \$1,121,585. Mr. Hendrix advised the commissioners that there is a possibility that some grant money will be available for the new voter registration system. Dr. Cureton asked that Mr. Hendrix investigate the matter further and keep the Commission apprised of the situation. He requested that the commissioners contact their House members and request their assistance with obtaining the funds for the new system. Dr. Cureton asked Mr. Hendrix to develop a "talking points paper" which would list the benefits of the system. The third priority is for the General Assembly to fully fund the aid to counties in the amount of \$131,925. Ways and Mean did not recommend any funds for the third priority.

Mr. Hendrix recently spoke with Mr. Dan Richardson who had filed a letter of complaint following the November 7, 2000, General Election. Mr. Richardson was a candidate for House District 14. Mr. Hendrix invited Mr. Richardson to attend the SEC meeting, but Mr. Richardson could not attend, but asked that the invitation be extended for a future meeting. Mr. Hendrix will send a copy of Mr. Richardson's complaints to the commissioners.

The only item under new business was the Governor's Task Force on Elections. Mr. Hendrix reported that he was asked to serve only as a resource, as no State employees would be on the task force. Mr. Hendrix will advise the commissioners of the next meeting date so that they can attend the business meeting if they would like to.

Mr. Hendrix displayed an old map of the City of Columbia which had been framed and was donated to the agency by Mrs. Willie Way. He plans to attach a gold plate on the bottom the picture which will indicate that Mrs. Way donated the picture.

The next meeting was tentatively scheduled for Thursday, April 19, 2001, at 10:00 a.m. There being no further business, the meeting adjourned.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Mr. Martin made a motion to approve the March State Election Commission Minutes. Dr. Robinson seconded the motion. The March Minutes of the SEC meeting were unanimously approved as written.

Mr. Dan Richardson, who was a candidate for House District 14 in Abbeville and Greenwood counties in the 2000 General Election was present at the meeting. Mr. Richardson filed, in a timely manner, what he considered a protest of the election. Mr. Hendrix notified Mr. Richardson that his letter was actually a complaint rather than a protest due to the fact that Mr. Richardson's allegations did not rise to the level of standards for a protest as defined by the State Supreme Court. Mr. Hendrix invited Mr. Richardson to share his concerns with the State Election Commission. Mr. Richardson presented his concerns about problems during the General Election. Mr. Hendrix indicated that he would be willing to meet with the Greenwood County Election Commission to share Mr. Richardson's concerns with them. Dr. Cureton stated that the Commission is working with the Governor's Election Task Force in an attempt to eliminate some of the problems before the next Statewide election. Mr. Martin assured Mr. Richardson that his complaints are taken very seriously by the Commission.

The commissioners took a 5 minute break. Upon returning from the break, Mr. Hendrix updated the commissioners on the status of Bills that are currently before the General Assembly. Mr. Hendrix stated that he testified before the House Judiciary Subcommittee on Election Laws as to the current state of elections in South Carolina. Mr. Hendrix noted that many of the concerns that were included in the Election Summit Report are addressed in House Bill 3789. While very few election bills have a chance of passage this year, he feels that several have a good chance of passage in the next session. Mr. Hendrix will keep the commissioners apprised of any changes in the legislation.

Mrs. Willie Way-Foster attended the meeting with her husband and presented a map of Richland County which she had framed and donated to the SEC. All of the commissioners met Mrs. Way-Foster and thanked her for the donation.

As a result of an appeal from the November 7, 2000, election for Jasper County Council District 1, a new election was ordered. Ms. Donna Royson, Director of Election Services for the SEC, facilitated a retreat for the County Election commissioners on a Saturday before the election, Mr. Hendrix conducted a back to basics workshop, and Mr. Garry Baum, Training Coordinator for the SEC, conducted poll manager training in preparation for the new election. Due to the magnitude of problems reported during the November 7th election, Mr. Hendrix and Ms. Royson visited several of the polling places on election day. Mr. Hendrix reported that the SEC staff was well received, the election was overall a successful one and the candidate who originally lost the election won the second election. He further stated that he feels the SEC sent a message that the problems encountered at the original election will not be tolerated.

Mr. Hendrix updated the commissioners on the agency's budget. He reported that the funds for the new registration system are still in the budget at this time. He also informed the commissioners that he recently presented justifications for our requests to the Senate Finance Committee.

Mr. Hendrix announced that on May 7th, he and the managers of the SEC will provide lunch for the agency employees in recognition of State Employee Recognition Day. The commissioners were invited to attend the luncheon. May 7-11 has been designated "State Employee Recognition Week". Mr. Hendrix stated that he will also send an individual letter to each employee thanking them for their dedication and service.

The next meeting was tentatively scheduled for May 17, 2001, at 10:00 a.m. There being no further business, the meeting adjourned.

Present: Dr. Deborah B. Cureton, Chairman; Dr. Walter C. Robinson, Vice-Chairman; Mr. Samuel W. Howell, IV; Mr. John Martin; Mr. James F. Hendrix, Executive Director; The following SEC staff were present: Janet Reynolds, Donna Royson, Marti Taylor and Cheryl Goodwin.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Mr. Howell made a motion to approve the April State Election Commission Minutes. Mr. Martin seconded the motion. The April Minutes of the SEC meeting were unanimously approved as written.

The commissioners were given a copy of pending legislation. Mr. Hendrix stated that very little individual legislation has passed this year. However, he feels that many bills are positioned for passage next year. They were also given a brief synopsis of voter registration/election legislation that passed in the General Assembly during the 2001 legislative session. Mr. Hendrix noted that S441 which provides for additional 16 & 17 year olds to work in each precinct has passed. Mr. Howell asked Mr. Hendrix if he had received any feedback from the counties who had 16 & 17 year olds working in the precincts during the 2000 General Election. Mr. Hendrix stated that he had received very positive feedback from those counties who utilized the 16 & 17 year olds. Mr. Hendrix advised that S459, which would authorize the county board of registration to use other means of voting absentee instead of by paper ballot if certified by the SEC and allows the SEC to establish standards and guidelines for such, has not yet been signed by the Governor, but he anticipates the Governor doing so.

Mr. Hendrix informed the commissioners that the funds for the new statewide voter registration system are still currently in the budget. He also advised that the agency absorbed a mid-year budget reduction and will absorb another cut for the new fiscal year, but he does not anticipate the budget reduction affecting any employee's jobs in the agency. He stated that the agency will have to monitor expenditures for the upcoming year, but he also does not feel that services provided by the agency will be affected.

Ms. Donna Royson, Director of Election Services for the agency, requested that the Commission certify the MicroVote MV-464 Firmware Release 5.02 for use in South Carolina. She reported that this release meets all requirements for certification. The commissioners were given a report that Ms. Royson compiled after she reviewed the release. Mr. Howell made a motion to certify the Release 5.02 of the MV-464 Voting Machine. Mr. Martin seconded the motion. The motion carried unanimously. Mr. Hendrix will notify the vendor of the approval.

The next item on the agenda was voting system certification guidelines. Mr. Hendrix congratulated Ms. Royson on receiving her Certified Public Manager Certification. For her final project for the certification, Ms. Royson developed written guidelines for vendors when they are seeking certification of voting systems. She stated that, in the past, time was spent on preliminary steps to test systems that did not qualify for certification. Now vendors can look through the guidelines and know before seeking certification whether their system will meet the standard qualifications and exactly what is needed for the Commission's examinations. Dr. Robinson made a motion that the Commission Chairman send Ms. Royson a letter of congratulations for her achievement. Mr. Howell seconded the motion. The motion carried unanimously.

The last item on the agenda was the training and certification program guidelines. Mr. Hendrix explained the program and how it applies to board members and staff in the counties. The commissioners were given a copy of the core components and the electives.

Mr. Hendrix informed the commissioners that the Department of Revenue held a contest in the elementary schools in South Carolina in which the students were asked to depict certain state agencies. Five students chose the State Election Commission (SEC) for their drawing. Staff at the SEC made note cards from the students' artwork. The commissioners were given a quantity of the note cards for their use. Ms. Marti Taylor, Director of Information Services for the SEC, reported that permission has been received from the parents of the children to post their artwork on the SEC home page. Mr. Hendrix stated that he will be sending a personal letter to each of the students.

Each commissioner was given a copy of a picture which was taken at the April Commission meeting of the commissioners with Mrs. Willie Way-Foster. Mrs. Way-Foster donated a framed picture of Richland County to the SEC.

Dr. Cureton announced that she will be moving to Wisconsin to take a position there in July. This will be her last meeting. Mr. Hendrix thanked Dr. Cureton for her service and dedication to the agency since 1992. She was then presented with a plaque from the agency.

Mr. Howell made a motion to go into Executive Session to discuss Mr. Hendrix' Agency Head Performance Evaluation. Mr. Martin seconded the motion. The Commission went into Executive Session.

When the commissioners came out of Executive Session, Dr. Cureton announced that no motions were made and no votes taken while in Executive Session.

There being no further business, the meeting adjourned.

**August 16, 2001**  
**10:00 a.m.**

Present: Mr. Marlon Kimpson, Chairman; Dr. Walter C. Robinson, Vice-Chairman; Mrs. Martha Edens; Mr. John Martin; Mr. James F. Hendrix, Executive Director; and Ms. Donna Royson, Deputy Director for the SEC.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Mr. Kimpson called the meeting to order. Mrs. Edens made a motion to approve the minutes from the June SEC meeting. Mr. Martin seconded the motion. The June Minutes of the SEC meeting were unanimously approved as written.

Mr. Kimpson, recently appointed Chairman, introduced himself to the other commissioners and gave some of his background. He stated that he looked forward to working toward better elections in the State.

There were two items of business which were not on the agenda.

The commissioners were given a copy of a newspaper article in the Florence Morning News which Mr. Kimpson had received and called Mr. Hendrix regarding the article. Mr. Hendrix noted that the article was incorrect. He stated that the SEC is in the process of switching to a new web-based voter registration system that will utilize E911 and GIS data to auto-precinct and district voters. The newspaper article incorrectly indicated that any voter whose address was not 911 complaint would be removed from the voter rolls. At the June SEC meeting, Mr. Hendrix had advised the commissioners that the county boards of voter registration were provided with a list of addresses from their county file that were not 911 compliant. They were asked to work with their county's 911 and GIS offices to make corrections to their files. Mr. Hendrix stated that this was simply a misunderstanding in the Florence County office. The matter has since been explained to all of those involved and has been resolved.

The commissioners were given a 2002 Primary and General Election calendar, along with a State Board of Canvassers appeal and protest schedule. He asked the commissioners to try and keep November 19th - December 15th as clear as possible on their calendars for any protests and/or appeals that may need to be heard during those dates.

Under new business, the commissioners were given a copy of a Summons and Complaint in a lawsuit involving reapportionment with respect to the election of members to the Charleston County School Board. Mr. Hendrix has been named in the suit in his capacity as Executive Director of the

SEC. Mr. Hendrix advised the commissioners that he has asked the Attorney General's Office to represent him in the case. He expressed the hope that the SEC will be dismissed from the suit.

The commissioners were given copies of the Election Summit Report, the Ford/Carter Election Reform Report, Cal Tech/MIT Study, and the Election Center Task Force Report. After discussing the various reports, the commissioners agreed to use some ideas from the reports to begin the process of establishing some priorities for the agency to work on. Mr. Kimpson asked the commissioners to review the reports that they were given at the meeting and compile an individual list of ideas to be discussed at the next commission meeting.

After some discussion concerning the need to replace certain outdated voting systems and funds needed for voting systems for counties, Dr. Robinson made a motion to ask Mr. Hendrix to investigate the possibility of inclusion of the SEC in a bond bill to obtain funds to aid counties in the purchase of newer, up to date voting systems. There was a request to amend the motion to include a preliminary report being drafted for the commissioners detailing some priorities. Mr. Martin seconded the amended motion. The motion carried unanimously.

The next meeting was scheduled for October 18, 2001, at 10:00 a.m. There being no further business, the meeting adjourned.

**November 28, 2001  
10:00 a.m.**

**Present:** Mr. Marlon Kimpson, Chairman; Dr. Walter Robinson, Vice-Chairman; Mrs. Martha Edens; Mr. John Martin; Mr. James F. Hendrix, Executive Director; and Mrs. Donna Royson, Deputy Director.

Mr. Kimpson called the meeting to order. Mr. Martin made a motion to approve the August SEC meeting Minutes as submitted. Mrs. Edens seconded Mr. Martin's motion. The August Minutes were unanimously approved as submitted.

Mr. Kimpson stated that he and Mr. Hendrix would like to move the agency priorities to last on the agenda because some of the initial priorities may change after discussion of the 2002-03 budget and other new business items. The other Commissioners had no objection, so it was agreed that agency priorities would be discussed last.

The first item on the agenda was 2002-03 budget requests. The Commissioners were given a copy of the agency's budget requests as submitted to the Governor, House Ways and Means, and Senate Finance committees. The first priority for the agency is funding for the 2002 Statewide Primaries. The second priority is an additional employee in the Election Services division. The third priority is for adequate funding for the supplement to the county registration board/election commission members. Mr. Hendrix explained that any board that has more than eight (8) members does not receive the full supplement due to a cap of \$12,500 per county in the Proviso. The fourth priority is for adequate funding for the supplement to the county registration boards to help defray the personnel expense to keep the office open. The amount of the supplement is based on population, and due to the 2000 Census, the supplement for several counties has increased.

Mr. Hendrix informed the Commissioners that a recent article in The State Newspaper regarding State budget reductions, stated that the SEC was eliminating poll worker pay to absorb budget cuts in the agency. The SEC did eliminate a small amount of poll worker funds which had been in our general fund for several years and never used. However, poll workers are paid from either primary funds, general election funds, or special election funds. The State Newspaper did not contact the SEC office to receive any facts regarding this issue before printing the article.

Mrs. Edens made a motion for the Commission to go into Executive Session to discuss a personnel matter. Dr. Robinson seconded the motion. The Commission went into Executive Session. When the Commission came out of Executive Session, Mr. Kimpson announced that no motions were made and no votes were taken while in Executive Session.

Mr. Hendrix updated the Commissioners on the reapportionment lawsuits. He was included in the Leatherman and Marcharia suits but has since been dismissed as a defendant in these suits. He advised the Commissioners that he will follow the reapportionment lawsuits and will keep the Commission apprised. Mr. Kimpson asked Mr. Hendrix, in the event that he is called to testify in a reapportionment case, to let the courts know that the Commission is concerned regarding the complexity of split precincts and the long lines which are created at the polls as a result of split precincts.

While referencing an article concerning post office boxes in Beaufort County used by registrants, Mrs. Edens asked if a person has no physical address, but just a post office box on file, can they be denied the right to vote. Mr. Hendrix stated that the system requests both a physical address and a mailing address (if they are different), but a person who has only a post office box must still be allowed to vote. Managers are instructed to get a residence address from the voters in these instances.

Mr. Hendrix informed the Commission of a situation in Beaufort County regarding inaccurate information given out about Sunday alcohol sales. The law was amended in 1999, and the county election officials were advised of the changes. However, the County Attorney has given legal advice to the Beaufort County Election Commission and proponents of the Sunday sales referendum based on the old law. Mr. Hendrix has provided correct information to all concerned parties.

Mr. Hendrix also shared with the Commission a situation that has developed in conjunction with the Senate District 43 (Charleston and Berkeley) special election. John M. Gibbs submitted a petition to this office to place him on the ballot as a petition candidate for the election. The petition was forwarded to the Charleston County registration office for the petition signature check. Subsequently, Mr. Hendrix was informed by that office that of the 1699 signatures submitted, 671 were not the voter's signature. The petition has been turned over to SLED with a request to investigate. Mr. Hendrix will keep the Commission informed.

In September, Mr. Hendrix requested that the Attorney General's Office provide guidance on the question of student registration in light of a recent addition to Title 7 establishing a definition of "residence". An informal opinion was issued in October. This opinion, while referencing prior opinions (1971 and 1984), points out that the standard for establishing a voter's intent to reside has been relaxed from "a permanent intent" to "a present intent to reside". Registration boards may still examine applicants, including students, further, utilizing the criteria included in Section 7-1-230. The Commission discussed the necessity of issuing written guidance beyond the opinion, and decided that inclusion of this topic and the opinion would best be handled through the Commission's Training and Certification Program and at any general meetings held in the near future. Mr. Hendrix stated that he would deal with this subject as part of his comments at the S.C.A.R.E. conference in January.

SEC MINUTES

Mr. Hendrix updated the Commissioners on a protest in Bamberg County involving a school board seat. The protest hearing was convened, but the protest was withdrawn.

The Commissioners were given a report on 16-17 year old poll manager assistants. Mr. Hendrix supports the use of the 16-17 year old workers and will encourage the counties to maximize their use. Mr. Hendrix reported that current law requires that a person working in the polls must be a resident of the county where they are working the poll or in an adjoining county. Mr. Hendrix stated that he would like to see an amendment to the law which would allow college students to work the polls in the county where they attend school as long as they are registered voters somewhere and take the poll worker training.

Due to the death of U. S. Representative Floyd Spence, a special election for U. S. Congress District 2 will be held on December 18, 2001. Dr. Robinson reported that he had been contacted by Mr. Rusty DePass to request that Dr. Robinson ask the Commissioners to certify the results of the special election for U. S. Congressional District 2 on the day following the election. The normal process would be for the counties to certify the official results to the SEC by 1:00 p.m. on December 20th. In the past, Mr. Hendrix has certified the results of special elections for the Commission rather than bring the entire Commission back to Columbia to certify them. Mrs. Edens made a motion that the Commission give Mr. Hendrix the authority to certify the official results of the U. S. 2nd Congressional special election held on December 18, 2001. After some discussion, Mrs Edens amended the motion to say that the Commission gives Mr. Hendrix the authority to certify the results of the special election to be held for the 2nd Congressional District on December 18th in the manner which he has been given permission to do in previous instances. She further proposed that he not change his time schedule nor feel pressured in any way to rush the process. Dr. Robinson seconded the amended motion. The motion carried unanimously.

The last item of business was to discuss the agency priorities. Mr. Kimpson recommended that the Commission members submit their list of priorities for the agency to Mr. Hendrix and asked that Mr. Hendrix compile a list of those submitted priorities. Mr. Hendrix will then send the list to each of the Commissioners so that the priorities can be discussed at the next Commission meeting. After some discussion, it was agreed that the priorities will be discussed at a meeting in January. The next meeting date was scheduled for Tuesday, January 22, 2002, at 10:00 a.m. Mr. Hendrix advised the Commissioners that he will begin sending them a list of the training and certification classes which are offered by the agency. The Commissioners were asked to look at their schedules and let us know if they will be attending the SCARE Conference and to let us know what dates they will be there. There being no further business, the meeting adjourned.

Present: Mr. Marlon Kimpson, Chairman; Mrs. Martha Edens; Mr. James F. Hendrix, Executive Director; and Mrs. Donna Royson, Deputy Director.

With only two members present, this meeting did not qualify for an official meeting. However, listed below are issues that were discussed between the two members that were present.

The Commissioners were updated on the status of reapportionment. Mr. Hendrix stated that he had not heard whether the matter will delay filing, but he will contact the Commissioners as soon as he knows what decision the Court has reached.

Mrs. Royson, Director of Election Services and Deputy Director for the agency, reported on the SCARE (South Carolina Association of Registration and Election Officials) Conference which several people from the agency attended in Myrtle Beach, S. C. She informed the Commissioner's that 275 people attended training classes on Saturday. On that day 9 classes were offered. A total of 181 people attended a class which was offered at no fee on Tuesday. A humorist conducted that class and everyone seemed to enjoy it. The conference was held from February 1-6 at the Landmark Hotel.

Mr. Kimpson and Mrs. Edens decided to discuss the agency projects and goals at the next meeting when the other Commissioners would be present.

Under new business, the Patriot Unilect Voting System was presented to the SEC for a reexamination to consider some upgrades. Mr. Kimpson and Mrs. Edens decided to postpone the certification of the upgrades until the other Commission members would be in attendance.

There being no further business, the meeting adjourned.

**STATE ELECTION COMMISSION MEETING  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**March 21, 2002  
10:00 a.m.**

Present: Mr. Marlon Kimpson, Chairman; Mrs. Martha Edens; Mr. John Martin; Mr. James F. Hendrix, Executive Director; and Mrs. Donna Royson, Deputy Director.

Mr. Kimpson called the meeting to order. Mr. Martin made a motion to approve the February SEC meeting Minutes as submitted. Ms. Edens seconded Mr. Martin's motion. The February Minutes were unanimously approved as submitted.

Mr. Kimpson stated that he would like to review an item of old business (voting equipment and establishing deadline) that was addressed at last unofficial meeting due to not enough Commissioners present for a quorum. The other Commissioners had no objections.

The first item on the agenda was update on the reapportionment law suits. The Commissioners were given copies of two Orders. Ms. Royson informed the Commission that both of the reapportionments have been settled. Ms. Royson explained that the first Order of March 20, 2002 sets out the new filing deadlines for State House and Congressional offices. Filing will open on April 6th and closes on April 20th. The State Executive Committee's have until April 30th to get those names to the State Election Commission which will only allow six weeks to prepare ballots for the statewide primaries on June 11th. This Order effects our office in two ways. First, with the redistricting, many counties will have to move voters into new precincts. This means a lot of data entry has to be done and new maps issued. We are now in the process of arranging meetings here in Columbia between the effected counties and Bobby Bowers with Research and Statistics. Mr. Bowers will sit down with each county and explain their maps to them and where their new lines are so that they can go back and start the process of moving these voters. Ms. Royson explained the process of determining which voters are moved and how those moves take place. She further stated that May 11th is the deadline to have the poll lists printed. The SEC is also under a deadline to get the ballots printed for the counties. Our goal is to have the ballots to the counties two to three weeks before the election. Mr. Kimpson asked if we have gotten any reaction from the media with telephone calls about the new decision. Ms. Majewski, Public Information Officer for the SEC, replied that we have not. Mr. Kimpson stated that our office and the Commission must have a coordinated message for the media before we speak to them so that we are not misquoted in the newspaper. Ms. Royson stated that Mr. Hendrix and Ms. Majewski had prepared a statement to use as a press release if necessary. Ms. Edens asked that the Commission be given a copy. The Commission asked that we mail the agenda of the next scheduled meeting further in advance and also call each member a couple of days before the meeting as a reminder.

Ms. Royson then moved on to the second Order regarding delaying the filing. Mr. Kimpson acknowledged the good job the defense lawyers have done in solving this court battle successfully.

The next item on the agenda was discussion of agency goals. Mr. Kimpson said he had asked Mr. Hendrix to prepare a document that listed goals we are currently working on and would like to see implemented in the near future under this Commission's leadership in addition to the status of the current projects being worked on. Mr. Hendrix provided a very detailed chart that outlines many of the daily activities that our office is involved in, as well as, the staff members responsible for ensuring that the projects are completed. Ms. Royson mentioned that the strategic plan is a work in process. She stated that we have partnered with Terri McGee, Staff Development Training Director for John Del Howe School. She holds her Masters in Public Administration but her career has been in training in Quality Management and she is an exanimate for the Governor's Quality Award. Ms. McGee has asked the SEC to talley their staff surveys and report back to their management with the results. Ms. McGee is also helping us fine tune a five year strategic plan. Mr. Martin asked if we anticipate a change in time lines. Mr. Hendrix joined the meeting. He addressed Mr. Martin's question that the time line for the on-line voter registration will change because one major part of the puzzle is to link to the 911 and GIS data that is maintained by Research and Statistics. The staff at Research and Statistics have been tied up in Federal Court and are behind schedule. Mr. Hendrix further stated that he anticipates a meeting between the SEC and Research and Statistics in a few days. He stated that we will inform the counties and the Commissioners as soon as we know more. It is not realistic at this point to say we will be ready to implement the new system in March.

Mr. Hendrix stated that we have notified everyone that needs to be notified. He also stated that unless someone protests the plans, he sees no reason for the Primaries to be delayed. Mr. Hendrix further stated the bulk of the work is still with the counties and he wants them to get started as quickly as possible. Several county's county council plans have either not been submitted or are still at the Department of Justice. The draft copy of H3789 is almost complete, but under article 2, page 3, of the Uniform Procedures Act, the original bill created a common municipal election date. The Municipal Association on behalf of a number of municipalities, asked if we could live with a April date and a November date. Mr. Hendrix stated that he feels H3789 is important enough that we can live with two dates. The amendment which was done this morning, but is not reflected in your copy, will show that municipalities will hold their elections on either the first Tuesday following the first Monday in April or the first Tuesday following the first Monday in November of the odd-numbered years. He stated that he and the subcommittee members agree that it is impossible for all municipalities to hold all of their elections in April or in November. He stated that while an April election date would be fine, there is nothing magic about having the elections in November other than that there is an additional statewide general election. The same concerns and objections would apply for those who now hold their election in November but would be moving them to April.

Mr. Kimpson stated when we get a chance to analyze the new redistricting plan he would like to know, on average, how many voters per precinct will be in a new precinct and how many will be split. Mr. Hendrix stated the number of precincts is not going to change drastically, but the districts will change.

Next item of discussion was the Commission's goals. Ms. Edens asked Mr. Kimpson why he wanted to take absentee voting to no excuse voting. He stated that he would like to eliminate long lines in polling places. Mr. Hendrix stated that the absentee precinct is a countywide precinct that is reported separately. The law was amended last year to provide that you could vote an absentee ballot in person using a machine rather than paper. He stated that he feels that this may help reduce the length of the lines at the polling place.

Mr. Hendrix stated that he hopes that there will be a provision in H3789 that will help eliminate some troublesome areas in assisted living and nursing home facilities offering to absentee vote. This legislation will require that each registration board member or a trained and certified designee visit each nursing home and assisted living facility prior to a statewide Primary or General Election. Mr. Kimpson asked is there any registered official assisting these voters. Mr. Hendrix stated there is no permissive language in the law that gives anyone the authority. But H3789 would help with the category for authorized representatives. It would assign a penalty for anyone who fraudulently fills out the authorized representative form. If this Bill passes he would instruct every registration office to visibly show and hand out 8 1/2" X 11" posters informing authorized representatives of the penalty.

Early voting would provide a specific period of time before the election for a voter to go to their voter registration office and vote. Mr. Hendrix stated that he would suggest that the county purchase electronic machines and also permit the establishment of satellite voter registration absentee precincts. Voters would still have to qualify by paper. The General Assembly does not currently plan to fund early voting. More funds would be needed for staffing of poll managers and training, for more electronic machines, and for lap tops to tie into the voter registration poll list. Mr. Kimpson stated that he and the other Commissioners hope that Mr. Hendrix will be able to get early voting implemented with the use of the electronic machines if federal legislation is passed.

In reference to agency goals, Mr. Martin stated that he would like to see a feasibility analysis document which would show goals, current progress and would show us how to proceed to with long range plans for the goals. The Commission would follow up at each to look at the next step to eventually turn the plan into a piece of legislation. He stated that the Commission could not take on each goal at every meeting. Mr. Kimpson agreed.

Mr. Kimpson made a motion to allow SEC to explore the feasibility of early voting and no excuse absentee voting and implement this idea to one of our long range goals. Ms. Edens second the motion. The motion carried unanimously. Ms. Royson asked for clarification of ongoing projects and strategic plans to report back to Commission. Mr. Kimpson stated that he would like a executive summary document on the day to day operations of the SEC. Mr. Hendrix suggested that we provide a list of the agency's day-to-day activities. Mr. Martin recommended that any items on the goals sheet that have been changed since the last meeting be made in bold. Mr. Kimpson suggested that those items that have been accomplished be titled, removed and placed elsewhere.

The agenda's next item was Certification of the Unilect/Patriot Voting System Upgrade. Ms. Royson explained the upgrades to the Commission. Mr. Kimpson made a motion to certify the Unilect/Patriot Voting System upgrades. Ms. Edens seconded. The motion carried unanimously.

The last item of business was the scheduling of training classes. Classes will begin in the Spring and go through July. Classes will be held in our newly remodeled training room upstairs in room 423. In the past, the agency had no option but to rent rooms to teach classes. The new training room will save us a lot of money in rental fees each year. We will also hold protest and appeal hearings in our new training room which will eliminate the need to reserve rooms at the State House where parking can be difficult.

The next meeting date was scheduled for May 23rd at 10:00 a.m. There being no further business the meeting adjourned.

**STATE ELECTION COMMISSION MEETING**  
**2221 Devine Street, Suite 105**  
**Columbia, South Carolina 29205**

**April 10, 2002**  
**10:00 a.m.**

Present: Mr. Marlon Kimpson, Chairman; Dr. Walter C. Robinson, Vice-Chairman; Mr. Samuel W. Howell, IV; Mrs. Martha Edens; Mr. John Martin attended via teleconference; Ms. Donna Royson, Deputy Executive Director; Ms. Marti Taylor, Director of Information Services with the SEC; Ms. Hannah Majewski, Public Information Office for the SEC; Mr. Sam Wilkins, Director of the Office of Human Resources (OHR) with the State Budget and Control Board; and Ms. Connie Thompson, Consultant with OHR.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Mr. Kimpson called the special meeting to order. The March SEC meeting Minutes had not been prepared at this time, so the Commission did not approve them.

Mr. Kimpson stated that this meeting was called due to the untimely death of former Executive Director, Mr. James F. Hendrix. Mr. Kimpson further stated that Mr. Hendrix played a great role in facilitating democracy in South Carolina, in improving voter registration and having a positive impact on SEC staff and those people in the counties. Those present observed a moment of silence in Mr. Hendrix' honor memorializing his great deeds for the State.

Mr. Howell proposed that the Commission adopt a resolution in honor and in tribute to Mr. Hendrix for the good work that he has done. Mr. Howell suggested that Mr. Kimpson, a committee, or someone who Mr. Kimpson would appoint to draft a formal resolution in Mr. Hendrix' tribute and memory which could be presented to his family and a permanent copy be put into the records of the Commission. Mrs. Edens seconded the motion to adopt the resolution. Dr. Robinson stated that he thought it would be a good idea for someone in the General Assembly do a resolution as well. Mrs. Edens stated that she thought that some of the legislators had already done one. Ms. Royson stated that she understood from Ms. Susan Musser, Attorney for Senate Judiciary, had mentioned that she was talking to several Senators about drafting a Joint Resolution.

Mrs. Edens stated that she feels the general public is not aware of the contribution that Jim Hendrix made to this State. She stated that he was a role model for 28 years and he never revealed any party preference. She stated that the Commission was blessed to have him as Director as he had a very good relationship with the Legislature and with people in the counties.

The Commission took a vote on Mr. Kimpson appointing a committee so that the resolution is worded to honor Jim Hendrix and his works for the Commission and for the State. The motion carried unanimously. Mr. Kimpson stated that he would appoint a committee which would be SEC

chaired by Mr. Howell to work on language for the resolution. Mr. Kimpson stated that he would also like for Dr. Robinson to be on the committee. Mr. Kimpson further stated that he would like for Ms. Donna Royson, Deputy Executive Director, to sit on the committee. Dr. Robinson stated that he feels the smaller the committee, the sooner it would be completed. With that said, he asked to not be included on the committee. Mr. Kimpson stated that he wanted to give Dr. Robinson the opportunity to participate as he knew that Dr. Robinson would make a good contribution to the tribute to Mr. Hendrix.

Mr. Kimpson stated that he had invited Mr. Sam Wilkins, Director of Office of Human Resources with the State Budget and Control Board, to attend the meeting today to advise the Commission on the process which is used in State Government to fill such vacancies as the one before the Commission now. Dr. Robinson stated that he would like to mention for the record that he would be in favor of finding a qualified person in the State rather than going outside of the State. Mrs. Edens stated that she did not know that the Commission should limit itself to candidates in South Carolina. Mrs. Edens stated that she hopes the Commission would be allowed to make the decision as to what process will be used to seek a new Director for the agency. Mr. Wilkins and Ms. Connie Thompson, a consultant with OHR of the Budget and Control Board, joined the meeting.

Mr. Wilkins advised the Commission that there are three options available in seeking a new Director. The first option would be to appoint an Acting Director from someone who is currently on staff. That option would not require any type of posting notice. That temporary appointment could be for a maximum of twelve (12) months. Mrs. Edens asked Mr. Wilkins to tell the Commission what the salary range for the Executive Director's position is. He stated that the minimum is \$63,179 and the maximum is \$97,992 with the average being \$80,586. The second option would be to hire an Interim Director on a temporary basis. That person should be someone who is not interested in the position on a permanent basis. The third option would be to recruit for the regular position externally. There is no statutory requirement that the agency post the position, but OHR recommends that an agency always post for any position that has a vacancy. Mr. Wilkins further stated that a position should be posted for a minimum of five (5) days, but the Commission may wish to post it for longer in order to attract a broader pool of applicants. Mr. Howell asked if OHR recommends a certain amount of time to post in order to get a larger/broader pool of applicants. Mr. Wilkins replied probably two weeks, but for a national search he recommends thirty (30) days. Mr. Wilkins stated that the Commission would have to receive approval from the Agency Head Salary Commission to pay anything above the minimum salary.

Mr. Wilkins explained that if the Commission decides to get OHR to conduct an executive search for an Executive Director for the agency, OHR would work with the Commissioners on trying to make some suggestions on the skill base, education base, and a comparable salary based on those things. The Agency Head Salary Commission would then have to approve the salary if it was anything above the minimum.

Mr. Wilkins then gave the Commissioners the dates that the Budget and Control Board will meet this year.

Mr. Kimpson asked Mr. Wilkins to outline the services that OHR offers for an Executive Search. Mr. Wilkins explained that OHR will receive the applications, sorting the applications to weed out those that do not qualify, they will assist in setting up the interview, they will work with the Commission on what questions they will need to (or what questions they may not) ask the applicants, they will assist in narrowing down the list to the final few candidates. He further stated that OHR will conduct a background search, education search, SLED search, etc., but they would ask that those searches be limited to the final candidates that are being considered. He also stated that the search could take from two (2) weeks to several weeks. Dr. Robinson asked what the charge would be? Mr. Wilkins stated that the charge would be between \$5,000 and \$10,000 for the executive search.

Mr. Kimpson informed Mr. Wilkins that the Commission will let him know what process they decide to use in seeking a new Executive Director. Mr. Wilkins and Ms. Thompson left the meeting.

Mr. Howell asked whether the agency can afford to conduct the search through OHR. Donna asked Janet Reynolds, Finance Director for the agency, to reply. Ms. Reynolds stated that she funds were very limited due to the budget reductions, but that she would try and find an area that could absorb the cost if the Commission deems it necessary to hire OHR to conduct the search.

Marti Taylor, Director of Information Services for the SEC, updated the Commissioners on the status of implementing the new online voter registration system. She stated that, due to reapportionment, the system will not be in place for the June primaries. She stated that she anticipates the new system being in place for the November General Election.

Dr. Robinson made a motion for the Commission to go into executive session to discuss a personnel matter. Mrs. Edens seconded the motion. The Commission went into executive session. When the Commission came out of executive session, Mr. Howell stated that no motions were made and no votes were taken while in executive session. He further noted that the Commission discussed the options available to them in searching for a new Executive Director for the agency. Mr. Howell stated that the Commission commends the agency's Deputy Executive Director and other staff for the work that has been done since Mr. Hendrix' death. He made a motion that the Commission recognize that Ms. Royson has been deputized to lead the agency in the interim and that Mr. Kimpson contact OHR to seek approval for a temporary salary adjustment for Ms. Royson. Mrs. Edens seconded the motion. The motion carried unanimously.

Mr. Howell then made a second motion that the Commission desires to receive a proposal from the Executive Search Services of the Office of Human Resources so that the Commission may contemplate receiving assistance from that office in conducting a regional search for an Executive Director with the goal that this Commission can go to the Budget and Control Board by it's August

6<sup>th</sup> meeting if necessary to request salary approval for the candidate. Mrs. Edens amended the motion to include the words "no later than" August 6<sup>th</sup> and then she seconded the motion. The motion carried unanimously.

The next meeting is scheduled for May 23, 2002, at 10:00 a.m. There being no further business, the meeting adjourned.

**STATE ELECTION COMMISSION MEETING  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**May 23, 2002  
10:00 a.m.**

Present: Mr. Marlon Kimpson, Chairman; Ms. Martha Edens; Mr. Samuel Howell, IV; Ms. Donna Royson, Deputy Director; Ms. Janet Reynolds, Finance Director; and Ms. Marti Taylor, Information Services Director.

Mr. Kimpson called the meeting to order. Ms. Edens made a motion to approve the April 10 and March 21, SEC meeting Minutes, as submitted. Mr. Howell seconded the motion. The Minutes were unanimously approved as submitted.

The first order of business was a Proposal from Office of Human Resources (OHR) regarding the permanent hiring of an Executive Director for the agency. The Proposal was received behind schedule, but the Commission feels that the original August 6 deadline can be met if no further deadlines are delayed. The floor opened for discussion. Ms. Edens stated that she would like to set specific dates to hold interviews so the majority of the Commission can be present. She also stressed that OHR must follow the dates that the Commission set in order to meet the August 6 deadline. Mr. Kimpson asked the Commission to check their calendars to determine which dates to meet and interview candidates and to get those dates to Ms. Royson. Mr. Kimpson stated his understanding was OHR would select ten potential candidates for interviews. The Commission would then narrow the ten to three qualified candidates and make a final decision by August 6. Mr. Howell questioned the time line for advertising the job June 3-17 and meeting the deadlines for publication. Mr. Howell moved to approve this schedule of service outlined at the cost of \$5,200 and to confer with Sam Wilkins of OHR regarding deadlines to be met. Ms. Edens seconded. Mr. Kimpson agreed to contact Sam Wilkins at the end of this meeting by conference call. The motion carried unanimously.

Mr. Kimpson opened discussion of how many days and what location to interview the ten. Mr. Kimpson suggested having interviews in Charleston and stated that he would provide the facility for these interviews. Everyone agreed and decided that no reimbursement for applicants to travel for interviews will be offered.

The next order of business was an update on the reapportionment law suits. Ms. Royson reported the Court approved the new district lines for House and Congress. The special election for Senator Joe Wilson's seat ran on the old district lines as determined by the Commission. The Attorney General's office sought clarification and the Court concurred. The Court issued an Order to that effect and the counties have been notified that any special elections for Senate between now and 2004 will be held using the old district lines. Ms. Royson reported the attorneys in the law suits sought attorney fees and our attorney, Emery Smith, filed a letter with the Court that the SEC should not be responsible for fees because Mr. Hendrix was named simply because he would have to issue an Order on this later and that he had nothing to do with redrawing the district lines. Judge Perry

stated that we would have to participate in a mediation hearing on the fees, but that it was possible we may only be responsible for the fees where we filed a motion to dismiss Mr. Hendrix from the original lawsuits. Mr. Smith estimated the cost to be \$750 to \$1,000 for attorney's fees. Mr. Smith will argue that the fees be waived with the Commission's approval. Mr. Howell made a motion to approve the expenditure of funds, if necessary. Ms. Edens seconded the motion. The motion carried unanimously.

The next item for discussion was redistricting and precinct changes to be completed that will affect the 2002 Statewide Primary. Ms. Taylor reported that some redistricting and precinct changes would not be complete until the General Election, but all changes necessary for the June Primary are complete. She reported that her division has mailed out 120,000 new voter registration cards and are printing more. The web page is set up to receive candidate totals on election night from our county offices. The voter registration books will be printed this weekend and will be mailed out next Tuesday or Wednesday for poll workers to use on election day. Mr. Kimpson asked for clarification on issues regarding voter confirmation cards. Ms. Taylor stated that she is aware of the misrepresentation and the wrong information concerning our 2001 confirmation card mail out. She stated that prior to motor voter, the process was conducted every other year and was referred to as a purge. When motor voter laws passed, they required us to do a confirmation mail but, because of legal issues, this process was put on hold temporarily. During the hold period, the agency performed a purge and we were advised by the Court that those people would have to be put back into the system. Ms. Taylor stated that the 2001 confirmation card mail out was a help in getting accurate addresses on our statewide voter registration system. Confirmation card mail outs will be done every other year in the off election years in the future. Ms. Royson handed out documentation of past history of confirmation mailings. Mr. Kimpson would like to ensure that the poll workers are trained in the inactive voters list and that our office be available to assist with the effort on Primary Election day. Ms. Royson asked for, and received permission from the Commission to develop a standard procedure for this confirmation mailing.

Ms. Royson stated that on June 7, we will have a staff meeting for those who will be answering the telephone on election day to go over a list of common questions that we get on election day to ensure correct answers are given. A copy of those common questions was distributed to all commissioners. The SEC office will be open from 6:30 a.m. until 3 a.m., if necessary.

Mr. Kimpson made a motion to table the updates on Commission goals and on-going projects to discuss at a later date. Ms. Edens seconded. The motion carried unanimously. Ms. Royson asked the Commission for permission to recognize some employees who have received their credentials in Associate Public Manager (APM) and Certified Public Manager (CPM) Programs. Ms. Marti Taylor and Ms. Janet Reynolds have received their APM credentials that focus on abilities and skills for supervisors, a 90 hour course. Ms. Cheryl Goodwin completed her CPM credential, a 300 hour program which is a step above the APM program. Ms. Royson stated that she hopes our budget will

SEC Minutes

Page 3

May 23, 2002

allow Ms. Reynolds and Ms. Taylor to participate in the CPM program in the near future. The fee is \$1,750 but can be paid over two fiscal years.

Mr. Kimpson encourages our office to cross-train employees. Ms. Royson asked approval of handing over the duties of the Secretary to the Commission to Ms. Cindy Peel. Ms. Reynolds recently moved into the Finance Director position for the agency but had continued to perform the duties of the Secretary of the Commission. Ms. Cindy Peel would take over Ms. Reynolds old position as Secretary to the Commission. The Commission agreed.

Mr. Kimpson asked for discussion concerning the agency's role in several recent situations that have arisen. Ms. Royson stated that Bamberg County had a protest hearing in Denmark and a new election has been ordered for June 25.

Ms. Royson reported that Representative Philips of Cherokee County pushed legislation through to change precinct lines and did not receive approval from the Department of Justice before moving voters. All of their ballots have been printed based on the new lines. The Voting Rights Act is very specific about having approval before moving voters. Our office worked with the Attorney General's office and Department of Justice and we received approval today.

On Saturday, May 4, we held classes for Poll Manager Training and Adult Learners. There was a total of 58 participates. On Monday, May 6, a SCARE Advisory Meeting was held in Wampee, South Carolina and committees were created to work on determining voter intent and standard testing for optical and punch card voting systems.

Ms. Royson reported that SLED has asked for telephone numbers in case they are called to seize election materials on election day and she has provided her personal numbers as well as county and political parties telephone numbers. She also stated that we have agreed to help Barnwell County make their numerous voter changes. Ms. Royson further reported that Fairfield County is still without a election commission at this time. The delegation has not appointed anyone, but did get a former election commissioner to work during this election. Chesterfield County's clerk has retired so we are helping the new replacement who is not familiar with elections. Mr. Howell asked how can the election be certified without a commission. Ms. Royson responded that Mr. Sam Arnette, former chairman, expects to be appointed before the election. Mr. Kimpson stated that he will contact Mr. Creighton Coleman, Chairman of the Fairfield County Democratic Party, with our concerns for this appointment to be expedited.

Ms. Royson stated that all ballots have been printed that are required to be printed by our office and they have been mailed to the counties. Mr. Kimpson asked about the problem with the Peeler campaign name being left off the ballot. Our office reviewed the proof sheet and there were no errors but when it went to the printer to be printed Mr. Peeler's name was left off. The ballot was easily corrected because of the electronic MicroVote voting system being used which has the

capability to solve the problem within minutes. Next year we are going to require the counties to not only send their proof sheet but also a copy of the official ballot to be proofed by our office in order to double check.

The next item on the Agenda was the Budget Status. Ms. Reynolds advised the Commissioners that our general fund has been cut by \$335,227, and that \$21,981 has been sequestered but she does not look for that money to be reinstated. We have also taken a \$164,693 cut to other funds. The Joint Conference Committee met recently and recommended \$1,150,000 for the General Election. Regarding Proviso 62.2, Mr. Hendrix wanted to reflect that poll managers would receive \$25 for training and \$75 for working on election day. He felt that it would encourage more people to work. When Mr. Hendrix presented the change to House Ways and Means he indicated that there would be no fiscal impact. Upon further review, Ms. Reynolds realized that there could be a fiscal impact. The last part of the Proviso allows three people to work for 5 days in the absentee/failsafe precinct in each county voter registration office. Ms. Reynolds stated that the counties have asked for clarification as to whether county employees and board members could receive additional pay for being poll managers on election day. The Commission stated that state employees do not receive extra pay, therefore county employees should not be paid extra. Ms. Reynolds will draft letter to inform the counties of the Commission's decision. Ms. Reynolds reported that we have received \$615,000 in filing fees and have set aside \$500,000 to off-set the cost of the new voter registration system, if necessary. That would leave us about \$115,000 to put toward the Primary, if needed. We have only \$332,850 left in the new voter registration system fund. In Primary funds right now we have \$3,500,000. We have \$480,000 left from the 2000 General Election funds which can be used to offset the costs of the 2002 General Election.

Ms. Royson addressed Legislation S65 which deletes the requirement to hold a special election if only one candidate files and no write in candidates declares himself 14 days prior to the election. Representative Harrison amended the legislation to allow the parties to certify presidential candidates to us by September 15. Ms. Royson asked him to push it back to September 1 so that we would have adequate time to print ballots. Mr. Howell ask if it was possible to kill this Bill and Ms. Royson said it was possible. It is up for a third reading. Mr. Howell opposes the main Bill and also opposes the Republican Party in Washington dictating how we run our elections in SC. The Bill was killed in the House originally and brought back last week. Mr. Howell asked that the Commission be informed if the Bill does pass. Mr. Howell will take the lead on this issue by drafting a letter and/or calling the Senate to express opposition. Ms. Royson stated that Representative Harrison may not be able to kill the Bill but may be able to change the dates.

The next piece of legislation for discussion was H3868. It would allow the County Board of Canvassers for the General Election to meet on Friday at 1 pm, instead of Thursday, to certify results. This would give them an extra day to do administrative duties such as processing absentees.

H3789 was amended back to its original version.

SEC Minutes  
Page 5  
May 23, 2002

Legislation passed to combine the Fairfield County Voter Registration and the Election Commission. It has been signed by the Governor but still must be approved by the Department of Justice.

Mr. Kimpson made a motion to move the certification of electronic machines to the last item. Mr. Kimpson also stated that he had received a letter and that the Native American Indian issues have been resolved.

The next item for discussion was an issue that has arisen in Greenwood County. Ms. Connie Moody, Director of Greenwood County Registration and Election Commission, is married to a candidate for a House seat in Greenwood County. The Commission suggested that Ms. Moody should not set up the machines for the election. She should also not work in the absentee precinct nor contribute to her husbands campaign. Mr. Kimpson instructed Ms. Royson to send a letter to caution her of the possible problems that could arise if she does not adhere to the Commission's suggestions.

The next item was the National Election Reform Bill which would allot money for states to purchase voting equipment. Ms. Royson explained that there is a Senate and House version in Congress and both versions have been sent to a conference committee which has not met. Mr. Kimpson stated that he was getting calls from vendors to sell counties equipment that is compliant with national legislation. Ms. Royson stated that the counties contact her as to which version of voting equipment is certified before they purchase their voting equipment. There is a provision in the law where a county can test a voting system that has not been certified if they are anticipating purchasing new equipment in the near future.

The next item on the Agenda was to approve upgrades to Diebold and MicroVote Voting Systems. Ms. Royson explained the changes to the Commission. Ms. Edens made a motion to approve the upgrades and Mr. Kimpson seconded. The motion carried unanimously.

The next meeting date was scheduled for Saturday, June 15 at 11:00 a.m to certify the Primary Election results. There being no further business, the meeting adjourned.

COLUMBIA, SOUTH CAROLINA 29205**

**July 12, 2002**

**8:30 a.m.**

**Via Conference Call**

**Present:** Mr. Marlon Kimpson, Chairman; Ms. Martha Edens; Mr. Samuel Howell, IV; Mr. John Martin; Mr. Garry Baum, State Training Coordinator ; Ms. Hannah Majewski, Public Information Officer; Ms. Cindy Peel, Secretary to State Election Commission; Mr. Michael Avey, United Citizens Party Chair; Ms. Anna Shockley, United Citizens Party Co-Chair; Mr. Tom Turnipseed; Mr. Jerry Rudolph; Attorney Herb Buhl; and The State Newspaper, Lee Bandy.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

**MR. KIMPSON:** As the Chairman of the South Carolina Election Commission, I call this meeting to order. The SEC called this meeting pursuant to a request made by the United Citizens Party, on July 9, 2002, after the candidate of their choice was denied access as a candidate for Governor for the 2002 General Election. The party was denied their choice because of an untimely filing as prescribed by the SC statute 7-11-15. In order to afford the United Citizens Party a right to be heard and create a record of the SEC decision in this case should this decision be appealed, a special meeting was called and all the requirements by the Freedom of Information Act in regards to publication have been met. For the benefit of the record, all commissioners via conference call are asked to identify themselves.

**MS. EDENS:** Martha Edens from Columbia calling in from Charleston.

**MR. JOHN MARTIN:** John Martin from Columbia calling in from Columbia.

**MR. SAMUEL HOWELL:** Sam Howell from Charleston calling from my cellular telephone on the road to North Carolina.

**MR. KIMPSON:** Marlon Kimpson from Mt. Pleasant calling in from Mt. Pleasant.

**MR. KIMPSON:** I would ask for Ms. Peel to do a roll call for the people who are participating in the Columbia office today.

**MS. PEEL:** Present are Mr. Michael Avey, Chairman of the United Citizens Party, Ms. Anna Shockley, Co-Chair, Mr. Tom Turnipseed, Mr. Jerry Rudolph, Attorney Herb Buhl, from The State newspaper, Mr. Lee Bandy. Also, in attendance from the State Election Commission are Garry Baum and Hannah Majewski.

**MR. KIMPSON:** I will turn the floor over to Mr. Avey to lead off.

MR. AVEY: I feel that the purpose of the requirement for a candidate statement being filed back in March is primarily to collect the filing fees that the major parties use to finance their primaries. I also feel the use of this for convention candidates can be waived. Seven of the eight candidates who were nominated two years ago were waived the requirement of a candidate statement because they had paid the Democratic Party's filing fees. The intention of the State in creating this is to provide the political parties with a solid vehicle for collecting fees from people who want to participate in their primaries. A convention by its very nature requires deliberation and decision. We need to meet as a party and figure out who we want to nominate, that this is how conventions work is illustrated in South Carolina by the only place where the major parties use conventions which is for presidential nomination processes. They don't require the candidate statement because it would preclude them from concerning candidates who were not actively campaigning in March and they do not want that. So we see that the process for filing candidate statements primary purpose is that of providing the parties with a way to collect money for filing fees which is not relevant to our situation and, because it is not relevant to our situation, our candidates in the past have been waived a candidate's statement. We have had one candidate this year, Representative Leon Howard, where the requirement of a candidate statement is being waived basically because they have filed their fees with the Democratic Party. Our convention, in order to perform its function discussed the gubernatorial nomination for some time and at the end of the process of deliberation, decided that we wanted to nominate Kevin Gray. We nominated Kevin Gray and we think that as is the case with many of our other nominees, because we are a convention system, the requirement of the candidate statement should be waived for Kevin Gray.

ATTORNEY HERB BUHL: Herb Buhl from Columbia representing the United Citizens Party. Under the Constitutional freedoms and rights we are guaranteed under the 1<sup>st</sup> and 14<sup>th</sup> amendment the right to freedom of speech, the right to engage in the association of advancement and beliefs and ideas and the right of citizens to create and develop new political parties have been all been recognized by the Supreme Court as substantial rights which are protected under the Constitution. Refer to Anderson v. Sella Bresee, 460-US780 in 1983 case in U.S. Supreme Court which basically says that you have to balance the interest of the party and the voters against a compelling state interest in order to justify imposing any kind of restrictions that have been imposed on the United Citizens Party in this case. Using that balancing test, you have to consider what the likelihood of success is for the party and the public interest as well as irreparable harm and injury. Obviously, if they are not allowed to have their candidate on the ballot, that is going to be irreparable harm and injury. The public has a substantial interest in being able to vote for persons and candidates of their choice. It is the party's belief that, using the balancing test as outlined in the Supreme Court decisions, Mr. Gray's name would be placed on the ballot and he be allowed to proceed to participate in the election process.

MR. TURNIPSEED: The idea of filing back in March and people running in primaries as opposed to the convention system. It was only two weeks ago that the party even knew who the Republican nominee was going to be. In working within the executive committee of the United Citizens Party we have been having an ongoing debate within the party. In fact, for a while I thought that I was going to run myself and decided not to. Both the candidates and nominees of Democratic and Republican Party did not want to

put a tobacco tax on the record. The people in this state (70% or more) wanted a tobacco tax. The United Citizens Party would like to have a \$1.00 raise in tobacco tax. We support a moratorium of the death penalty. A significant number of people in this state will be denied equal protection of the law if we are not allowed to do this.

MR. TURNIPSEED: What burden would be put on the Election Commission to place their candidate on the ballot? I feel that it does not make sense other than going by a rule that is really not intended for convention processes for a primary.

MR. TURNIPSEED: I am also very much interested in a co-chairperson of the South Carolina Green Party that has just been formed and the idea of new independent parties might be a novel idea here in South Carolina at this time, but it is an irrepressible idea that is going to happen because of the fact that two major parties are so much alike on so many issues that a lot of people are being left out of the process. Equal protection of the law in the ability to nominate candidates and have free association under the 1<sup>st</sup> amendment is a very, very important right.

MR. KIMPSON: I would like to interrupt briefly to ask Mr. Howell to drop off the line because his cellular telephone is causing too much interference.

MR. HOWELL: I will comply.

MR. TURNIPSEED: I feel that there is not an over-riding honest burden on the state to allow us to nominate our candidate and put him on the ballot.

MR. AVEY: If Mr. Gray is not permitted on the ballot it would hamper our ability to conduct a serious campaign this year. I believe that it is very much in the interest of the voters of South Carolina to be able to fill the ticket and run a campaign and try to bring more new people, especially young people, into the political process.

MR. MARTIN: There are significant issues that must be considered with regard to making sure that we have fair access to the election system by all parties, large and small, new and established.

MR. MARTIN: Mr. Avey, Is it your position whether or not you agree with the statutory requirements that indeed your party has not met the statutory filing requirements as set forth for getting on the ballot for this election? A very simple question.

MR. AVEY: Yes, I would have to agree that in the gubernatorial race the United Citizens Party candidate did not file a statement of candidacy. Both of the candidates who were included in the letter that was sent last week did not file statement of intention of candidacy forms with the United Citizens Party. Leon Howard did not file a statement of intention of candidacy with the United Citizens Party either and it was waived in his case.

MS. EDENS: The State Election Commission has provided equal access to all parties under the law as passed by South Carolina legislature. The SEC does not make the laws under which we operate, but when commissioners take this position they agree to enforce

them and feel that that law applied to the United Citizens Party, the Republican, the Democratic, any other organized political party in the state. The United Citizens Party had equal opportunities. Secondly, the last time when the SEC granted to waive those candidates they had in essence filed, but simply changed parties.

MS. EDENS: I do not have the record in front of me, but I believe those candidates had filed through the Democratic Party. One can hold a convention whenever one chooses and one can call a convention if one wants to elect candidates if that is not their regular time. This law could have been complied with the same as the other two parties complied.

MR. KIMPSON: Is there any other discussion?

MR. MARTIN: Unfortunately, we find ourselves in a situation that is not unusual for this Commission. As we are not a law making body where the statute is clear, we have very little choice but to implement both the spirit and the letter of the statute. Although I find a number of the arguments interesting and compelling in that they raised significant issues, I feel it is uncontested that the party in question has failed to meet statutory filing requirements and thus left this Commission without any choice in this matter. The case citations that they have raised are not instructive in this situation nor has there been any authority cited for the Commission's ability to waive the requirements in this situation. Certainly the Commission is not in the position to ignore the statutory mandates of the legislature.

MR. MARTIN: I move that we deny the candidate of their choice as requested to appear on the ballot given that the United Citizens Party has by their own omission, failed to properly file within the statutory framework as set forth in South Carolina and moves that we deny their request to be placed on the ballot despite that failure.

MS. EDENS: I second the motion.

MR. KIMPSON: It has been moved and properly seconded that the United Citizens Party be denied their choice of candidate for Governor in the 2002 General Election. Is there any further discussion?

MR. KIMPSON: Having heard none the motion is carried unanimously.

MR. KIMPSON: I would ask for a roll call of votes.

MR. MARTIN: (I)

MS. EDENS: (I)

MR. KIMPSON: Voting as Chairman (I). Those opposed? Having heard none, the motion is carried. The petition of the United Citizens Party is denied.

MR. KIMPSON: Mr. Avey, the SEC has really tried to accommodate you and your party in every effort that they can, particularly considering such short notice that they received.

I apologize for having to appear via conference call and express my sincere apologies on behalf of the other commissioners because they all reside out of town and are each involved in their mostly respective law practices, with the exception of Ms. Edens. You have a record now so that you can seek re-address from the appropriate court system. The Commission wishes you much success on your petition and is glad they had an opportunity to discuss this issue.

MR. TURNIPSEED: Thank you for holding this special meeting and I would like to make one other statement. The United Citizens Party received a letter from Garry Baum stating their nomination was going to be accepted. Three days later the United Citizens Party received a letter stating that their nomination could not be accepted and they had another alternative with the independent petition drive with a deadline coming up on Monday. With the media and publicity for those three days it hurt them on this issue too. I believe what the SEC was trying to do in a sense was to accommodate us and I knew Mr. Baum was trying to be helpful. The recourse is that we can go and get 10,000 signatures on an independent petition. That three day lapse really hurt the petition drive and I hope we are going to be able to get it through, but it is just another little impediment that new parties and people struggling to get on the ballot have to do up against the two party juggernaut.

MR. KIMPSON: I have always appreciated the concern of the "little man" and the down trodden and those who have to fight against establishments. I do not think there has been any major secret that as a petition candidate it requires 10,000 signatures. In addition, Mr. Baum afforded the party the availability or the option of entering by write-in candidacy. I hear what you are saying, but the law has not been silent on all of these issues.

MR. TURNIPSEED: I know that and was not asking the Commission to do so. I just wanted to make that statement.

MR. MARTIN: I would move that we adjourn.

MR. KIMPSON: Meeting so adjourned.

Mr. Kimpson called the meeting to order. Mr. Kimpson stated that he would like to table the approval of the July 12, 2002 Minutes, as submitted. Mr. Martin stated that the Minutes are still in need of revisions. He suggested that the Minutes be revised with an eye towards representing accurately who is making what statement. He felt that the Minutes should read more like a transcript so it is very clear that all the statement is attributable to one person as opposed to being potentially misconstrued as a statement position by the Commission. Mr. Martin suggested that in the future a court reporter record the Minutes for hearing cases such as this. He stated that he would not be opposed to sending Mr. Avey a tape of the Minutes. When the Commission reviews the revisions they should make sure to be clear who is making what statement. Ms. Edens moved that the Minutes presented be referred back for the proper revisions and presented to the Commission at the next regular Commission meeting for approval. Mr. Martin seconded the motion. The motion carried unanimously.

The next item of business was the certification of Hart Voting System. Ms. Royson stated that the system was brought to the SEC on July 18, 2001 at which time testing began. A special election was held in Aiken County pursuant to the testing procedures on August 21, 2001. The system satisfied the election laws of South Carolina and all the testing was complete by November 2001. In May 2001, the last piece of documentation required to request official certification before the Commission was received. This new voting system met all of the Federal voting system standards and was tested by ITA's. The system was displayed at the Disability Action Council and the Association for the Blind. Ms. Edens asked Ms. Royson would she recommend this system to be one that South Carolina could use. Ms. Royson stated yes. Ms. Edens moved that the Commission approve the certification of Hart Voting Systems based upon the deputy executive director's recommendation. Dr. Robinson seconded the motion. The motion carried unanimously.

The next item on the agenda was federal legislation. Ms. Royson stated that she met with congressional staff members at the National Association of State Election Directors (NASED) conference in August concerning Federal election reform legislation. Currently, a Senate and House Bill on election reform have gone to conference and are very close to reconciliation. Congress appropriated three billion dollars in the budget bill to fund an election reform bill. Both Senate and

House versions agree that each state needs to have a plan in place outlining how the state will implement the legislation in order to receive any of the three billion dollars appropriated. Ms. Royson stated that she had discussed with Mr. Kimpson putting a team together to develop a "State plan" in accordance with the federal reform legislation. This team would consist of members from the State Election Commission, the Chief Information Office (CIO) for state government, the State Budget Office, and several of our county voter registration and election commission officials. Representatives in Washington have stated that this election reform will be bigger than the National Voter Registration Act and possibly the Voting Rights Act of 1965 combined. This election reform could last until 2006. The first team meeting is set for September 12, 2002.

The next item for discussion was the request of Election Services Corporation to be heard on certification of their voting system. Ms. Royson updated the Commission on the procedures followed in regards to certification of a voting system. Certification and testing has certain statutory guidelines and also policy adopted by the State Election Commission which must be followed. The first procedure required is an application from the vendor stating that they seek certification on testing along with a check in the amount of \$1,000 to cover the costs of testing. Several other items such as contracts, training, and jurisdictions where the voting system has been approved for use must also be submitted with the application. A system must also undergo testing by an Independent Testing Authority (ITA) accredited by NASED prior to submission of this S.C. application. Currently, there are 2 ITA's accredited to test software and 1 ITA accredited to test hardware. Mr. Casey's system is different than any other system that we have examined because it is basically software that can be loaded onto any type computer containing a touch screen. This system was sent to the software ITA for testing and they issued a reserved number, but that is not an official certified number. Ms. Royson stated that the reason that the SEC had not entered into formal testing with Election Services is because she had not received the required documentation. Mr. Casey differs with her opinion and, therefore brought the matter before the Commission for clarification and possible certification.

Mr. Jack Casey of the Election Service Corporation (ESC) addressed the Commission stating that he came out of retirement after the 2000 General Election to design a voting system. He approached the SEC in January to begin the South Carolina testing process. On this 1<sup>st</sup> approach, he was informed that he must first have his system tested by an accredited independent testing authority (ITA) as required by S.C. statute. After contacting the hardware ITA, Wyle Lab in Huntsville, Alabama, Mr. Casey stated that he was told his system did not require testing because it was a "commercial off the shelf" (COTS) product and was advised to contact Ciber, a software ITA. Ciber was too expensive so he decided to use Systest Labs in Denver, Colorado. Systest Labs tested his system and issued a reserved certification number. When he approached the SEC again, he was told that he must also take his system to the hardware ITA for testing. He felt that ESC had complied with the FEC guidelines and S.C. certification laws and should be granted testing of this system.

Ms. Edens asked Mr. Casey if, when he started with plans to build a system in South Carolina, he got a copy of the requirements for certification in South Carolina, to be sure that he was meeting this criteria? Mr. Casey answered yes and mentioned he got superlative qualification marks and full approval from Systest Labs and had complied one thousand percent with all FEC guidelines and

exceptions. Ms. Edens stated that the Commission would not be discussing this if ESC had met the criteria to be recommended for approval. Mr. Martin asked Mr. Casey if he had an official ITA certification for his software but not his hardware. Mr. Casey replied that he had certification for both. Mr. Martin stated that a problem we may have is the definition of "machine" as referenced in 7-13-1620. The statute is in need of being updating to reflect current technology and the difference between hardware and software. Mr. Casey agreed and said that he understands the statute to say that a "system" must be tested by an ITA.

Mr. Martin asked Mr. Casey exactly what he was requesting of the Commission. Mr. Casey stated he is requesting to have his system tested by SEC staff for certification in South Carolina. He further stated that he had the proper paperwork and approvals from accredited ITA's. Mr. Martin then asked Ms. Royson to clarify SEC requirements. Ms. Royson replied that NASED had accredited Wyle Labs to test hardware and Systest & Ciber Labs to test software. The federal guidelines state that the SEC must receive documentation to show that a vendor's equipment is a COTS product and Mr. Casey had not done that. In order for a system to be certified, Wylie Labs puts the system through numerous environmental tests to ensure its durability during the election process. Mr. Casey has presented to SEC that his system is a COTS system, but we do not have the capabilities in this office to test and prove that it would work under various environmental situations. We have requested documentation from him to show where anyone can go purchase his system straight off the shelf and that way we will know that it had been through proper testing. Dr. Robinson asked Mr. Casey if he had documentation to prove his system was a COTS product and Mr. Casey replied that he had shown that documentation in the past. Ms. Royson stated that the documentation he presented is not acceptable because it is not complete and it comes from an ITA accredited to test software and not hardware.

When asked by Mr. Martin why this had taken so long to come to the attention of the Commission Mr. Casey stated that he was shut down several times during the past months by Jim Hendrix and Donna Royson even though he was following the FEC guidelines and exceptions for system certification. Mr. Martin then asked Ms. Royson if the ESC system had been certified by an independent testing authority accredited by NASED and the SEC as meeting or exceeding the minimal requirements of the FEC national voting systems standards. Ms. Royson replied that she knows these standards well since she sits on the national board to develop the standards and, in her opinion, Mr. Casey's system had not been properly certified by an accredited ITA.

Ms. Edens made a motion that Ms. Royson outline specifically what Mr. Casey and his company must do in order to meet S.C. criteria and would like Mr. Casey to respond point by point stating how he feels that his company had met this criteria and then the Commission will have the concrete comparison on which to base a fair and impartial vote. Mr. Martin seconded the motion. The motion carried unanimously. Mr. Kimpson stated that Mr. Casey should supply evidence to support his request. Through the procedure outlined in the motion, he has the right to be heard and given an opportunity to tell the Commission his position and document it in writing so that each Commissioner can independently verify.

Next item of discussion was the certification of the upgrade to ES&S Voting System. Ms. Edens asked Ms. Royson if she recommended that this system be certified. Ms. Royson stated yes, that it had been fully tested and complied with S.C. election laws. Mr. Martin made a motion that the Commission certify the upgrade to the ES&S Voting System in accordance with the staff's recommendation. Ms. Edens seconded the motion. The motion carried unanimously.

Next item of discussion was Mr. Scottie Williams' request to withdraw as a candidate for S.C. House District 79 in the November 5, 2002 General Election. Ms. Edens stated that Mr. Williams did not present an affidavit that meets the criteria of the law and moved that the Commission not let Mr. Williams withdraw. Dr. Robinson seconded the motion. Ms. Royson clarified for the Commission that the law is very clear in Section 7-11-55 that if a party's nominee resigns his candidacy for a legitimate non-political reason, and was selected through a party primary election, the vacancy must be filled in a special primary election. Section 7-11-50 also states in the last paragraph that this affidavit must be filed with the state party chairman of the nominee's party and also with the election commission of the county if the office concerned is countywide or less including members of the General Assembly and with the State Election Commission if the office is statewide. Documentation from the Attorney General's office advises the SEC that, since this is a multi-county House seat, this affidavit should be filed with the SEC. The three legitimate nonpolitical reasons are health reasons which would be harmful to the candidate if he continued; or family crises, circumstances which would substantially alter the duties and responsibilities of the candidate to the family or to a family business; and the third being a substantial business conflict, which includes the policy of an employer prohibiting employees from being candidates for public offices and an employment change which would result in the ineligibility of the candidate or which would impair his capability to carry out properly the functions of the office being sought. Dr. Robinson made a motion to deny Mr. Williams request for withdrawal in House District 79. Ms. Edens seconded the motion stating his withdrawal does not meet the criteria of the South Carolina code of laws as set out in Section 7-11-50. The motion carried unanimously.

Ms. Edens entertained a motion to go into Executive Session to discuss personnel matters. Dr. Robinson seconded the motion. The motion carried unanimously. Mr. Kimpson stated that while in Executive Session the Commission would not entertain any motions or vote on any issues.

There being no further business, the meeting adjourned.

**STATE ELECTION COMMISSION MEETING  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**September 12, 2002**

**3:00 p.m.**

**Via Conference Call**

**Present:** Mr. Marlon Kimpson, Chairman; Dr. Walter Robinson, Vice Chairman; Mrs. Martha Edens; Mr. Samuel W. Howell, IV; Mrs. Donna Royson, Deputy Director.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Mr. Kimpson called the meeting to order. Mr. Kimpson stated that this was a special meeting called specifically for the purpose of deciding about candidates who wish to withdraw in their respective races.

Mrs. Royson stated the first candidate requesting to withdrawal was Mr. Christopher Cannon running for House District 116. In Mr. Cannon's letter he stated that the Charleston Voter Registration Board told him in error that he was a resident in District 116. After his nomination he then discovered he was really a resident of House District 119.

Mr. Howell addressed the issue whether or not the political party can nominate another candidate for this race. Mr. Howell stated that Mr. Cannon falls under the provision of Section 7-11-50 where if a party nominee who was nominated by a method other than party primary election dies, becomes disqualified after his nomination, or resigns his candidacy for a legitimate nonpolitical reason as defined in this section and sufficient time does not remain to hold a convention to fill the vacancy or to nominate a nominee to enter a special election, the respective state or county party executive committee may nominate a nominee for the office, who must be duly certified by the respective county or state chairman. "Legitimate nonpolitical reason" as used in this section is limited to: (a) reasons of health, which include any health condition which, in the written opinion of a medical doctor, would be harmful to the health of the candidate if he continued; (b) family crises, which include circumstances which would substantially alter the duties and responsibilities of the candidate to the family or to a family business; (c) substantial business conflict, which includes the policy of an employer prohibiting employees being candidates for public offices and an employment change which would result in the ineligibility of the candidate or which would impair his capability to carry out properly the functions of the office being sought. A candidate who withdraws based upon a legitimate nonpolitical reason which is not covered by the inclusions in (a), (b), or (c) has the strict burden of proof for his reason. A candidate who wishes to withdraw for a legitimate nonpolitical reason shall submit his reason by sworn affidavit. In Mr. Cannon's letter he stated that it became known that he is disqualified after his nomination. Mr. Howell made a motion to allow another nominee to run in Mr.

Cannon's place. Mr. Howell modified his motion by stating that assuming that our deputy executive director substantiates either from the State Election Commission's own records or from the Charleston County Election Commission records that Mr. Cannon is not a registered voter in House District 116, then the Commission will accept Mr. Cannon's withdrawal of candidacy pursuant to Section 7-11-50 with the ability of the political party to nominate another candidate. Mrs. Edens seconded the motion. The motion carried unanimously.

Mrs. Royson stated that Anne Parks is on the November 5, 2002, General Election ballot as a Democratic and United Citizens Party candidate running in House District 12 and wishes to withdraw from the United Citizens Party nomination but remain as a nominee for the Democratic Party.

Mr. Howell stated that Ms. Parks' reason does not qualify as a legitimate nonpolitical reason under the provision of Section 7-11-50(a), reasons of health, which include any health condition which, in the written opinion of a medical doctor, would be harmful to the health of the candidate if he continued. Mr. Howell made the motion to allow Anne Parks' withdrawal as a candidate for the United Citizens Party and her name will not appear on the ballot but may remain as a Democratic Party candidate. Mr. Howell also moved to deny the United Citizens Party the ability to substitute a candidate in her place. Mrs. Edens seconded the motion. Mr. Kimpson stated that the Commission will allow Anne Parks to withdraw from the United Citizens Party however, will not allow the United Citizens Party to reopen filing for this particular office because Anne Parks does not meet the criteria of requirements the Section 7-11-50(a). The motion carried unanimously.

Mrs. Royson stated that Joe E. Brown is on the November 5, 2002, General Election ballot as a Democratic and United Citizens Party candidate running in House District 73 and wishes to withdraw from the United Citizens Party nomination but remain as a nominee for the Democratic Party.

Dr. Robinson made a motion to approve the withdrawal of Mr. Brown as a United Citizens Party candidate but the political party be denied to allow another nomination for House District 73. Mr. Howell seconded the motion. Mr. Kimpson stated that Joe E. Brown be allowed to withdraw his candidacy for the respective house seat tendered under the United Citizens Party and that the United Citizens Party be denied the right to refile another candidate because Mr. Brown did not specify his reasons pursuant to the Section 7-11-50. The motion carried unanimously.

Mrs. Royson reported back to the Commission the SEC office findings that Christopher Cannon indeed does live in House District 119 not House District 116. Mr. Howell made a motion to reconsider the motion made earlier in the meeting. Dr. Robinson seconded the motion. Mr. Howell voted against the motion to reconsider and believes the requirement in the statute for an affidavit only goes to whether or not there is a legitimate non political reason related to health, family crisis, or substantial business conflict. Ms. Edens voted No to reconsider the first motion. Mr. Kimpson and Dr. Robinson voted Yes

to reconsider the first motion. Mr. Howell made the motion that the motion for reconsider fail. The motion failed after a 2 – 2 vote.

The meeting was so adjourned.

Present: Mr. Marlon Kimpson, Chairman; Mr. John Martin; Mr. John H. Hudgens, III;  
Mr. John Samuel West; and Mrs. Donna Royson, Deputy Director.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE  
FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Mr. Kimpson called this special meeting specifically for the purpose of deciding about a candidate who wished to withdraw from the November 5, 2002 General Election.

Ms. Royson stated a candidate Charlie Drawdy for House District 120, which is in Hampton and Colleton County, sent the SEC a letter on Friday, September 20, 2002, requesting to withdraw because of personal financial business conflicts which cause him to be unable to campaign for the office. A signed affidavit was received later in the day from Mr. Drawdy's attorney that stated Mr. Drawdy wished to withdraw as a candidate pursuant to S.C. Code of Laws 7-11-50(c) and requested that his name be removed from the ballot. Ms. Royson stated that under Section 7-11-55 the State Election Commission is required to meet and determine if this is a valid reason for withdrawal based on the legitimate nonpolitical reason outlined in Section 7-11-50. Section 7-11-50(c) requires a sworn affidavit stating reasons for withdrawal and those reasons must impair his capability to carry out the office to which he is seeking. In his affidavit he does not clearly define his reason; however, his letter does give a reason that he is unable to campaign for the office.

Ms. Royson further explained that the Commission needs to determine if this is a legitimate nonpolitical reason and decide whether he can be replaced on the ballot. If it is the decision of the Commission that the withdrawal is based on a nonpolitical reason, a special primary will have to be ordered for that seat. If the decision is again that Mr. Drawdy's name should be replaced on the ballot as opposed to the ballot withdrawal. Mr. Drawdy's name can be removed, because the ballots have not been printed, but the political party would not have the opportunity to hold a special primary and substitute a candidate for that office.

Mr. Kimpson called for any discussion. Mr. Martin asked Ms. Royson if the statute requires that the affidavit specifically state the reason and Mr. Hudgens injected that the statute lists three legitimate nonpolitical reasons, health, family crisis, or business conflict. Mr. Drawdy only cited Section 7-11-50(c) which is a reason but requires specific elaboration. Mr. Hudgens stated that the Commission had recently denied one candidate's withdrawal but accepted another candidate's request to withdrawal because the second candidate had given a specific reason.

Mr. West commented that in his opinion an affidavit must contain Mr. Drawdy's explanation of why he believes he has a substantial business conflict. Looking at the statute as a whole, it

appears that the General Assembly imposed a high standard for the substitution of nominees. When considering this issue we do not have any facts recited in the affidavit upon which to base a decision.

Mr. Martin made the motion to deny the request for the removal of the candidate from the ballot because the reasons set forth in the affidavit are inadequate. Mr. West seconded the motion. The motion carried unanimously.

Mr. Kimpson stated that the motion had been moved and properly seconded. Mr. Drawdy was allowed to withdraw from House District 120, however, he did not comply with the statute 7-11-50 and therefore the party was not allowed to substitute a candidate. Mr. Kimpson asked for any further discussion.

Mr. Hudgens stated that he would like the record to reflect that, when a candidate withdraws based on a legitimate non-political reason, the candidate must provide specific information about that reason in his affidavit rather than simply referencing the statute.

Mr. Kimpson asked if one of the commissioners would be willing to review the Minutes of each meeting to ensure their correct reflection on statements made in the meeting. Mr. West volunteered for this task but requested that the duty be rotated among commissioners. All commissioners agreed to this process and to Mr. West's offer to begin.

The next Commission meeting was tentatively set for Thursday, October 3, 2002 at 10 a.m. in the Columbia office. Mr. Martin moved to adjourn meeting. All votes were in favor and motion carried unanimously. There being no further business, the meeting adjourned.

**STATE ELECTION COMMISSION MEETING  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**October 23, 2002  
10:00 a.m.**

Present: Mr. Marlon Kimpson, Chairman; Mr. John Martin; Mr. John H. Hudgens, III; Mr. John Samuel West; Mrs. Donna Royson, Deputy Director; Mrs. Janet Reynolds, Finance Director; and Mrs. Hannah Majewski, Public Information.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Mr. Kimpson called the meeting to order. The first item of business was the approval of the July, August and September Minutes. Mr. Kimpson requested a change in the September 12, 2002 Minutes to reflect the motion to reconsider failed after a 2 – 2 vote due to the lack of majority. Mr. Hudgens requested some changes for the September 28, 2002 Minutes. Mr. Martin made a motion to approve all other Minutes as submitted. Mr. West seconded and motion carried unanimously.

Mr. Kimpson officially welcomed two new appointees to the State Election Commission. On September 15, 2002, Mr. John Samuel West and Mr. John H. Hudgens, III were appointed to serve on the commission for four years. Mr. West and Mr. Hudgens briefly introduced themselves. Mr. Kimpson instructed Ms. Majewski to draft a press release announcing these appointments and circulate to the media.

First item under new business, Ms. Royson reported on the development of the poll observer guidelines. The law is silent on both monitors and observers but the law is specific on what candidates and watchers can or can not do inside the polls. We rely on the Attorney General's opinion of 1978 and the Department of Justice. As stated in SC Code of Law, Title 7, observers can be present in the polling place during an election as long as they do not disrupt the process of the election. The NAACP has informed our office they are branching out into the entire state for the November 5<sup>th</sup> General Election and provided us a list of polls that they intend to observe. Other organizations such as political parties are also sending observers to the polls.

Mr. West asked if there was any statutory authority for poll observers. Ms. Royson stated the first bullet of the guidelines reference Section 7-13-1780, the second bullet reference 7-13-140 and the last three bullets reference 7-25-180. Mr. West replied that he agrees that we clearly have statutory authority with the outlined guidelines.

Mr. Hudgens asked for clarification between a poll watcher and a poll observer. Ms. Royson explained that poll watchers are appointed by the candidate of a political party during a primary or general election. Candidates are allowed a certain number of

watchers to be present and those watchers are allowed to wear a badge stating what candidate they represent. The watchers are allowed to stay at the polls all day and challenge the voters through the poll managers. Observers are allowed the same but they do not represent a particular candidate nor do they wear a badge.

Ms. Royson explained because of a lawsuit in 1993, the National Voter Registration Act was passed and we are required to send out a confirmation mailing prior to every general election to inactive voters. In 2001 we sent out our first confirmation card mailing to 500,000 registered voters. Voters were advised that our database records indicate that they may have moved because they had not voted in the last two general elections. Confirmation cards returned marked undeliverable are marked on the voter registration database as IM's (moved). Poll workers are instructed when a voter comes in and has an IM beside their name to ask for their correct address. If a voter has moved the procedure for a move is followed but if a voter has not moved they are allowed to vote and will automatically be put into Active status when voter registration books are returned to the SEC office. There are approximately 300,000 of these voters statewide. In the past a purge was done every two years for voters who had not voted in the last two general elections. The development of the confirmation card mailing is to capture the right address to ensure an up-to date database file. Ms. Royson reported that the voter registration lists for the November 5, 2002 General Election has been mailed on schedule.

The second item of new business was the Protest and Appeals process. Ms. Royson reminded the commission of the scheduled meeting for November 14, 2002 at 10 a.m. to certify the General Election results. The deadline for candidates to begin filing protests and appeals begins five (5) days after the results are certified. Protests for state-wide, constitutional, federal offices and house members are filed directly with the SEC. Protests for county-wide offices are filed directly with the county election commissions and will be heard on November 18. SEC will hear appeals from the county and the deadline for candidates to file an appeal will be November 25, which is also the deadline for the county's to file to the state board. The county also must have filed their transcripts of protest with us. Copies of the transcripts will be immediately hand-delivered to all commissioners. The commission cleared their calendars for December 4, 5, 6 and 9 in which to hear any protests and appeals.

The third item under new business was the VIO Project renamed the SERVE Project. Ms. Royson explained that this is a voting on the Internet project that our agency is participating with the Department of Defense for overseas citizens and military personnel. In 2000, South Carolina made history as being the first state to participate in this project state-wide with much success. Congress has determined that this project is feasible and efficient. Ms. Royson stated that after visiting the SERVE project facility in Washington she is confident with the security of the ballots. Representative Jim Harrison introduced this project to legislation last month. The SERVE Project representatives visited our office and were amazed how far ahead South Carolina is in elections compared to other states. Our next meeting is scheduled for January in Washington, DC and our agency will be responsible for the cost of travel. The SERVE Project representatives will pay for the meeting scheduled for February. Every other meeting our

agency will be responsible for traveling expenses. Any funding for the project itself will be funded by the federal government.

The fourth item on the agenda was the Douan lawsuit. Charleston Election Commission and the SEC are named in this lawsuit but our agency is not really a party to it. The attorney names SEC out of the abundance of caution. The attorney general's office has filed a motion to dismiss. A copy of the lawsuit is forthcoming after the case is argued tomorrow. Ramifications of this lawsuit are that if the court agrees with the plaintiff the county election commission will have to make a good faith effort to cover up the instructions to the voters in dispute or post a sign informing the voter that that question is no longer valid due to the lack of time to reprint the ballots before the General Election.

Under the fifth item of new business, Ms. Reynolds reported due to budget cuts our office was not audited in 2001. The budget audit for 2002 had only one minor problem with the balancing of reconciliations between our office and the Comptroller General's balance. No wrong doing was found only that we need to set up written procedures to balance reconciliations every month. Mr. West as well as the rest of the Commission agreed that the audit report appears to be a clean report without exception.

Ms. Reynolds handed out copies of the budget requests for 2004 to be submitted to the State Budget Office by November 14, 2002. Our first priority would be the request for statewide election operation money. Second priority would be aid to county supplement. The 2001 supplement was raised from \$1,000 to \$1,500 for board member but was not funded by the State Budget Office. We are still sitting at the old funding trying to pay these board members at \$1,500. Every year we come up short and we may want to address this issue before the end of the fiscal year.

Ms. Reynolds will compile a list of those counties who have more than eight members for the Commission to review. Based on the 2000 census, four counties have had an increase in board members. It is apparent we need to request more money to fund as the statute requires. The county registration boards are given a supplement to defray the cost of keeping the board open and funding is based on the number of population in each county. In the past we were allowed to carry forward funds from our general election monies to make up the difference needed. There has been no money in the past two years to carry forward. Normally we request 2 to 3 million dollars for a statewide election. This year we received 2.1 million dollars for the primary election and took a cut to one million dollars for the general election. If these cuts continue we may not have any election money to carry forward.

In fiscal year 2002, we requested the removal of the 12.5 cap or to be fully funded to pay board members, no action was taken. It may be the decision of the Commission to repeat this request. Also, our counties request additional days for personnel to help with the absentee precincts and additional personnel for fail-safe voting on Election Day. This may be accomplished by the SEC changing the wording of Proviso 62.2. Mr. Martin stated that he is in favor to give counties the flexible to utilize the personnel on the days they deem is most needed. Mr. Kimpson requested that Ms. Reynolds submit the 2004

budget request prior to submission to the State Budget office. The commission will make a motion and vote on upon it in the absence of an executive director.

Under item seven, Ms. Royson reported the federal legislation passed on September 16. The federal government has authorized the funds and awaiting appropriation. Our office is working with Representative Jim Clyburn and Senator Hollings in this capacity and the appropriation of the minimum of 5 million dollars looks favorable. Ms. Royson stated that the upgrade of punch card voting system to a medium grade system would cost approximately 10 million dollars. SEC would fund 5% of the cost (\$500,000) just for the punch card counties. This federal legislation requires SEC to install a disabled voting system in each precinct throughout the state. Ms. Royson stated that Ms Reynolds will be working with her on the amount of funds that will be needed for that project. It is the responsibility of the Governor to pass this legislation and forwarded to the director of our agency.

The Election Center a non-profit, non-partisan organization together with NASED will hold a three day training workshop in San Francisco on December 10 to help us develop a sound State Plan. Three representatives from the SEC are requested to attend the training at the cost of approximately \$2,000 per person to be reimbursed by the appropriated federal legislation funds.

Under item eight of new business, Ms. Royson handed out updates to agency on-going projects. Ms. Royson informed the commission of the Public Service Announcement made by Earl Whalen, director of Orangeburg County Voter Registration and Elections requesting voters to call their voter registration office or visit the SEC web-site to check their voting districts for any changes due to redistricting.

Copies of the March 21, 2001 Governor's Task Force report was given to Mr. West and Mr. Hudgens. Mr. Kimpson explained the Governor called for this examination into the voting problems in South Carolina after the problems faced in Florida election. The report highlights a number of concerns where voters are not informed of their voting information and where to go for that information. Ms. Royson handed out a press release sent out prior to the general election encouraging voters to check their voting precinct information. She also handed out a guide developed by Ms. Majewski of the most common Questions and Answers that voters call in on General Election Day. This guide will be most helpful for S.L.E.D., U.S. Attorney, and the FBI to use for the calls they receive on Election Day.

Ms. Royson informed the Commission of the annual SCARE conference to be held at the Landmark Resort Hotel in Myrtle Beach, South Carolina, Friday, January 24 -28, 2003. All Commissioners are invited. Mr. Kimpson stated that he plans to attend on Saturday.

Ms. Royson updated the commission of the situation in Jasper County. The county put a referendum question on the ballot and due to irregularities during voting and an unfavorable outcome of the question, the county decided to hold another election. Ms. Royson stated that there is no precedent in the statute for this and the Governor clearly

has to order another election. The county is clearly not following the law. There is nothing in the statute that states this situation should come before the SEC or should go to court. Mr. Steve Hamm the attorney for some concerned citizens in Jasper County may bring this issue before the commission. A citizen of Jasper County asked the SEC to remove William Singleton, Chairman of the Jasper County Election Commission. SEC has no authority to do so therefore, this decision must come from the Governor.

Ms. Royson also stated that a write-in candidate's campaign staff has informed our office that they intend to pass out pencils to voters with Kevin Gray's name on them when he runs for Governor in 2004. Because they do not have for Governor on them they are not considered campaign literature.

Ms. Royson asked for guidance on Mr. Jack Casey's request for ES&S certification. In an effort to give our two new commissioners the opportunity to review the file, the Commission will decide how to continue with this request at the next scheduled meeting on November 14 when they meet to certify the November 5, 2002, General Election results.

Mr. Martin made a motion to go into Executive Session to discuss personnel issues. Mr. West seconded the motion. Motion passed unanimously.

Mr. Kimpson announced that no motions were made and no votes were taken while in Executive Session.

There being no further business, Mr. West made a motion to adjourn. Mr. Martin seconded the motion. The motion passed unanimously.

Mrs. Donna Royson, Deputy Director.

The meeting was called to order. The Canvassers were given a copy of the results. The Board ordered a runoff in the following elections:

Republican – Governor (Statewide); Lt. Governor (Statewide); Attorney General (Statewide); and Third Congressional District race (name of counties)

Democratic –

???? made a motion that Mrs. Royson be authorized by the Board to certify the results of the runoff which will be held on June 25, 2002. ???? seconded the motion. The motion carried unanimously.

Mrs. Royson reported that the biggest complain from voters is they have to vote in one primary instead of being allowed to vote for candidates of both parties. Another concern involving both the primary and the general election is that county election commissions are having a difficult time finding qualified people to work in the polls.

???? made a motion that the State Board of Canvassers adjourn and reconvene as the State Election Commission.
